

Quinta Do Peru, a new European top 100 club that is digitized with Golfmanager

- **Located a few kilometers from Lisbon and with a total area of 6,640 yards, Quinta Do Peru golf course was designed by Rocky Roquemore**
- **It is among the 100 best golf courses in the European continent, according to the prestigious Golf World magazine**
- **Golfmanager already has 30 clubs in Portugal, consolidating itself as the main option for the digitization of golf courses instead of traditional softwares**

Madrid, May 13th, 2021. Golfmanager, the leading 100% cloud-based software in Spain and Portugal for the digitization and management of golf clubs, today announced the addition of the Portuguese golf club Quinta Do Peru to the list of more than 120 golf courses that have already chosen Golfmanager to be digitized thanks to its unique technology.

Quinta Do Peru, built in 1994, located a few kilometers from Lisbon and with a total area of 6,640 yards, is among the 100 best golf courses on the European continent, according to the prestigious Golf World magazine.

It was designed by Rocky Roquemore and stretches across an outstanding enclave through green pine trees, perfectly placed bunkers and greens that will test any putt.

Golfmanager reaches a new milestone: 30 golf clubs in Portugal

Quinta Do Peru supports the progression of Golfmanager in Portugal. Its *all-in-one* 100% cloud-based software for the digitization of golf clubs already gained the confidence of 30 golf courses in Portugal, being the leading player in golf digitization there.

Courses such as Quinta Da Marinha, West Cliffs, Troia Golf or Vale Do Lobo, the largest Portuguese golf resort, have also chosen Golfmanager as a technological management software to accelerate their digitization.

More and more top clubs are choosing Golfmanager to manage their daily operations. A clear trend that supports the progressive expansion of the Spanish company in Portugal, being the preferred option for managers compared to traditional softwares.

Its modular system, its integrations and the fact of having Oracle Hospitality as Official Partner attract the attention of top courses in Europe.

Rafael Vera, Golfmanager CEO, points out: *“More and more top courses are reaching us to start their digitization process. We are proud to have all of them in Golfmanager. It only shows that we are working in the right direction and that our software has everything you need to successfully manage your golf club. In Portugal we are taking advantage; a clear step that shows the result of our hard work during these months. We are developing an innovative and disruptive product adapted to the needs of every club manager”.*
